

**SOMERSET BERKLEY
REGIONAL HIGH SCHOOL
"A PARTNERSHIP FOR EXCELLENCE"**

Mrs. Kim Docouto
Assistant Principal

Dr. Susan M. Brelsford
Principal

Mrs. Erica Pereira
Assistant Principal

April 25, 2022

Dear Parent/Guardian:

We are pleased to inform you that the Somerset Berkley Regional High School will be offering a condensed accelerated MCAS Academic Support Program for the Chemistry MCAS test, beginning on **Tuesday, May 3rd**.

In accordance with state regulations, your child must pass an MCAS test in science in order to graduate from Somerset Berkley Regional High School. This is an excellent opportunity to take advantage of, because it will help them in achieving graduation status and improve their academic potential as they gain extra help and support, prior to the June Chemistry MCAS exam.

Regular attendance and participation are expected. This program is being offered through Title I funding, so there is no charge for this program and there are plenty of spots available.

Class sessions will be taught by Ms. Arey and will meet in **Room 317** from 2:10-3:30 on the following dates

- Tuesday 5/3
- Wednesday 5/4
- Monday 5/9
- Wednesday 5/11
- Thursday 5/12
- Tuesday 5/17
- Wednesday 5/18
- Thursday 5/19
- Monday 5/23
- Tuesday 5/24
- Thursday 5/26
- Tuesday 5/31
- Wednesday 6/1
- Monday 6/6

To Register:

Please contact Mr. Talbot, SBRHS Science Content Coordinator at 508-324-3115 Ext 1170 (leave a message) or contact by email at talbotm@sbrregional.org. Please be sure to specify: Chemistry MCAS Support Class.

During each session, please have your student bring their Chromebook, charger, and classroom materials.

Sincerely,

Matthew Talbot
SBRHS Science Content Coordinator
