Dear Parent/Guardian:

We are pleased to inform you that the Somerset Berkley Regional High School will be offering a condensed accelerated MCAS Academic Support Program for the **Introductory Physics** MCAS test, beginning on **Wednesday, May 4th**.

In accordance with state regulations, your child must pass an MCAS test in science in order to graduate from Somerset Berkley Regional High School. This is an excellent opportunity to take advantage of, because it will help them in achieving graduation status and improve their academic potential as they gain extra help and support, prior to the June Introductory Physics MCAS exam. **Regular attendance and participation are expected. This program is being offered through Title I funding, so there is no charge for this program and there are plenty of spots available.**

Class sessions will be taught by Mrs. Scalisi-Burniston and will meet in **Room 210** from 2:10-3:30 on the following dates:

- Wednesday 5/4
- Thursday 5/5
- Tuesday 5/10
- Wednesday 5/11
- Tuesday 5/17
- Wednesday 5/18
- Thursday 5/19
- Tuesday 5/24
- Wednesday 5/25
- Thursday 5/26
- Tuesday 5/31
- Wednesday 6/1
- Thursday 6/2

**To Register:**

Please contact Mr. Talbot, SBRHS Science Content Coordinator at 508-324-3115 Ext 1170 (leave a message) or contact by e-mail at [talbotm@sbrregional.org](mailto:talbotm@sbrregional.org).

On the days of the meetings, please have your student bring their Chromebook, charger, and classroom materials.

Sincerely,

Matthew Talbot
