Dear Parent/Guardian:

We are pleased to inform you that the Somerset Berkley Regional High School will be offering a condensed accelerated MCAS Academic Support Program for the **Introductory Physics** MCAS test, beginning on **Monday, May 1st**.

In accordance with state regulations, your child must pass the MCAS test in science in order to graduate from Somerset Berkley Regional High School. This is an excellent opportunity to take advantage of, because it will help them in achieving graduation status and improve their academic potential as they gain extra help and support, prior to the June Introductory Physics MCAS exam. **Regular attendance and participation are expected. There is no charge for this program and there are plenty of spots available.**

Class sessions will be taught by Ms. Danielle Tinkham and will meet in **Room 309** from 2:15-3:30 on the following dates:

- Monday 5/1 – vectors and scalars, constant velocity
- Tuesday 5/2 – acceleration
- Wednesday 5/3 – Newton's laws
- Friday 5/5 – homework club
in room 309, MCAS Packet
- Monday 5/8 – momentum, work/power
- Tuesday 5/9 – energy
- Wednesday 5/10 – gravity, circular motion
- Thursday 5/11 – library, MCAS Packet
- Monday 5/15 – heat
- Tuesday 5/16 – heat transfer, phase changes
- Wednesday 5/17 – electricity
- Thursday 5/18 – library, MCAS Packet
- Monday 5/22 – electricity
- Tuesday 5/23 – waves
- Wednesday 5/24 – MCAS Packet
- Thursday 5/25 – library, MCAS Packet
- Tuesday 5/30 – MCAS Packet
- Wednesday 5/31 – MCAS Packet
- Thursday 6/1 – library, MCAS Packet

Note: Thursdays are Science Homework Club and meets in the library. Students are welcome to attend homework club for extra MCAS review or for help with current material from class.
