Summer Assignment Instructions:

1. In the tool bar, click on Courses and then click on your section.
2. This will take you to the posted course material.
3. Review the resources before you attempt the test.
4. Students must complete the test once it has been started.
5. If you experience technical difficulties, there is a built-in second attempt within the program. Results of that first attempt will be lost, necessitating the second attempt. A second attempt is **ONLY** required in the case of technical difficulties. Students should ensure that they are in a location with a strong internet connection before beginning the assessment.
6. Your teacher will enter the grade into the grade book in the fall.
7. The test must be completed by 8/31/19 at 11:59 P.M.
