Late Work/Makeup Work Policy

Late Work

Homework:

You are expected to pass in homework on time. Homework must be passed in at the **beginning** of class on the day it is due. Homework is not accepted late unless you are absent (refer to the makeup work section).

Labs/Classwork/Projects:

Labs, classwork, and projects that are handed in late will be penalized 25% every day. On the days that the class does not meet, students are expected to deliver the assignment to the teacher, place the assignment on the teacher's desk in the science office, or e-mail it to the teacher. Due to the nature of certain assignments, teachers have the discretion to not allow the work to be turned in late.

Makeup Work

Previously assigned work must be turned in upon the student's return to school.

All other work (not previously assigned) must be made up according to the school policy. Students have one day to make up work for each absence. For example, if a student is absent on Monday when an assignment was assigned, that work must be passed in by the end of the school day on Wednesday (regardless if the class does not meet on that day).

Refer to the updated SBRHS Attendance Policy for more information.
